

“Super Saver Basic” Package (SSB)

\$119 - Includes Sitting & choice of 5 - 8x10 units!

PLUS: 50% off portraits* ordered + paid for at sitting.

Perfect for people who want great portraits and expressions but don't need all the services included in our regular Senior Sitzings (yet you can purchase them if you need them) AND who want to save money!

You save money and time because we combine your portrait + order sessions, reduce the number of portraits created in the camera room to about 20 and offer additional services 'a la carte'.

Come dressed in your favorite outfit. Bring 1-2 addition outfits if you aren't sure of what to wear OR if you think you may want to 'expand' this sitting. A lot of people decide to have additional portraits taken and purchase a set of 8 different 4x5 portraits and a folio to display them in.

A \$50 deposit holds your sitting date and is credited toward your order.

At your sitting we take your portrait and you see it on the monitor. Together we double check your smile, clothes and pose - we talk about what you like and what you might want to do differently and take MORE portraits! **We GUARANTEE you'll love your portrait!**

Right after your sitting you'll view your portraits, decide on your favorite(s) and order your 5 - 8x10 units; additional 8x10 units are \$25 each.

* Finished portraits (4x5s to 16x20s): **50% off** regular prices when ordered + paid for at your sitting.

* Use regular prices for portraits not ordered + paid for immediately after your sitting, reorders, mounting, albums, finishes, wallets and other services/products. These discounts are available when your order is paid in full at your sitting. Payment plans available. Form on line at <http://www.ndimaging.com/ssb.pdf>
